Dear Parents and Guardians,

I want to thank you for attending our Open House Night last Thursday evening. I thoroughly enjoyed meeting all of you and presenting our goals and vision for the school year! I am attaching the web address/link to my presentation for those of you who would like to review it. Many of you showed interest in the research slides regarding personality and work skills needed in the 2020 workforce.

Now that the first full week of school has passed, there are a few additional items I wanted to communicate with you. Therefore I have added some additional slides containing information related to school policy and practices.

As I stated in my presentation, my door is always open to you. Our goal of building relationships with students is also extended to families and parents. It "takes a village" to educate children. This includes encouraging a strong home to school connection between staff and families. If you have a concern, please contact your child's teacher prior to contacting the principal's office.

Please type or copy and paste the URL below to access the Open House presentation, or for your convenience, please scan the QR code for even quicker access to the slides.

QR scanning for iPhone users:

- Select Camera App.
- Hold your device so that the QR code appears in the Camera app's viewfinder.
- Your device will recognize the QR code and show a notification.
- Tap the notification to open the link associated with the QR code.

Thank you all again. Your support is greatly appreciated by School No. 1! Have a wonderful day!

Kindest Regards,

A handwritten signature in blue ink that reads "Dana Sprague".

Ms. Dana Sprague, Principal

One District... One Team... One Vision...
