Dear Families,

I hope this message finds you well. As part of our ongoing commitment to creating a safe and supportive environment for all students, I want to take a moment to inform you about our policies and protocols regarding Harassment, Intimidation, and Bullying (HIB).

In Little Falls, we prioritize the well-being of every student. Our HIB policies are designed to prevent and address incidents of harassment and bullying effectively. We believe that all students have the right to learn in an environment free from fear and intimidation.

To help you better understand these policies, our Antibullying Coordinator, Matthew Rohlf has created an informative video that outlines our approach to HIB, including how we define these behaviors, the procedures for reporting incidents, and the support services available to both students and families. We encourage you to watch this video and discuss its contents with your children.

You can access the video here: <https://www.youtube.com/watch?v=QTMn8-oGemQ>

If you have any questions or concerns about our HIB policies or if you would like to discuss specific incidents, please do not hesitate to reach out to your child's school. Together, we can work to ensure that our school community remains a safe and welcoming place for everyone.

Together we fly,

Tracey Marinelli
Superintendent of Schools
