Dear Families,

As we close out another remarkable school year, I want to take a moment to express my sincere gratitude to each and every one of you—our parents, guardians, teachers, staff, and, of course, our incredible students.

This year, our theme “*Together We Fly*” has taken on a deeper meaning than we ever imagined. We’ve soared through triumphs, learned through turbulence, and grown stronger by facing challenges as one united school community. From academic achievements and artistic showcases to athletic accomplishments and acts of everyday kindness, our students continue to inspire us all with their courage, creativity, and commitment.

Our staff has worked tirelessly to create learning environments where every child can thrive. Their dedication, passion, and resilience are the wings that lift our schools higher each day. And to our families—thank you for being our unwavering partners. Your support, involvement, and belief in our mission make all the difference.

As we look ahead, we are preparing for an important moment in our district’s future. On **Tuesday, September 16, 2025** our community will vote on a school referendum that will have a lasting impact on generations to come.

We are calling this initiative: **“Build a Brighter Hive for Tomorrow.”**

This referendum is essential to help us:

- Expand our facilities to meet the needs of our growing population
- Ensure our schools remain safe, innovative, and student-centered
- Maintain the high standards of education that our community expects and deserves

To learn more about the referendum—including proposed plans, financial details, and how it affects your family—please visit our dedicated website: www.lfschools.org/referendum

As we turn the page to a new school year, we will carry forward the strength of this year’s theme and shift our focus to next year’s message: **“The Hive Effect.”** Just like ripples in water, the impact of one small action in a hive can spread far and wide. Together, we will continue to build a culture of excellence, empathy, and empowerment—where every student is known, valued, and prepared to lead.

Wishing you a joyful, restful, and safe summer. Thank you for all you do to support our students and schools. *Together, we fly—and together, we will build a brighter tomorrow.*

Best,

Tracey Marinelli
