Dear Families,

As we prepare to take our holiday break, I wanted to pause for a moment to wish you all a Happy Holiday and Healthy New Year. They say the days are long and the years are fast. I find this so relatable as I write my 9th holiday letter to our Little Falls Community. Over the course of that time many things have changed, but one has always remained a constant – the care and support the members of our school and community show for each other.

As always, I want to extend my greatest appreciation to our staff and students for all of their hard work and adaptability. The way they all came together this week to show compassion for those in crisis while pivoting and making the best of an unpredictable situation was nothing short of extraordinary. They certainly exhibited the “Hornet Way”.

To our friends and family who have suffered tremendously this week, we are here for you in whatever way we can.

My wish is that peace and good tidings will be yours this holiday season. May you spend this time doing whatever brings you joy with those who you love most.

I can't wait to see what 2024 has in store for us. Click [here](#) for our January Dates To Remember and [here](#) to read about our improvements and initiatives.

I'll see you on Tuesday, January 2, 2024.

Warm regards,

Tracey Marinelli
