Dear Little Falls School Community,

As we approach the holiday season, I want to extend my warmest wishes to our students, families, and staff. This time of year, always invites reflection, gratitude, and a renewed sense of hope and we certainly have much to celebrate together.

One of the most exciting highlights of this year has been the approval of our district's improvement projects through the Passaic County Improvement Authority. These projects represent more than construction and upgrades; they represent our ongoing commitment to providing the very best learning environments for our children. Seeing these enhancements take shape will most certainly be energizing, and I am deeply grateful for the community's support and patience as we move forward.

We also received some extraordinary news this year that speaks to the heart of who we are as a district. **Little Falls School No. 3 has been named a Best Elementary School**, and **Little Falls School No. 1 has been named a Best Middle School by U.S. News & World Report**. This recognition is a testament to our exceptional students, our dedicated staff, and our incredibly supportive families. It reflects the hard work, passion, and teamwork that define our schools each and every day.

As we head into the holidays, I hope each of you finds time to relax, recharge, and enjoy the simple moments that make this season so meaningful. Thank you for your partnership, your trust, and your unwavering belief in our mission. Our success is truly shared.

Wishing you all a joyful holiday season and a healthy, happy New Year. I look forward to all we will accomplish together in 2026!

Warm regards,

Tracey Marinelli
