Dear Parent/Guardian:

Last spring, your student participated in the New Jersey Student Learning Assessments (NJSLA) administration to measure their academic performance with grade level content as defined in the New Jersey Student Learning Standards (NJSLS). Evaluating the results from statewide testing can be a helpful tool in measuring your student's success in school, and it is just one of the many ways your student's teachers and administrators can determine whether he or she is on track for the next grade or ready for college and their career.

Your Individual Student Reports (ISRs) have arrived. Please be on the lookout for the IRS in your mail.

The (ISRs) have been developed based on feedback from parents/guardians and educators. There are two ISRs, one for English Language Arts (ELA) and one for Mathematics. A written explanation indicates where your student is doing well and where he or she may need additional help. There are also charts and graphics that show you how well your student is performing in relation to the [New Jersey Student Learning Standards](#), and how your student's performance compares to other students in his or her school, district and state.

The [Digital Item Library](#) provides access to released items from the NJSLA ELA, Mathematics, and Science assessments. The items are displayed online and allow for users to view and interact with the items in the exact same manner as student test-takers. Additional released items will continue to be added as they become available.

In addition, Parents/Guardians can access their student's performance online by visiting the NJ Parent Portal at <https://nj-results.pearsonaccessnext.com>. To access the online portal, you must create an account using the unique claim code that is located on your student's paper ISR. The online portal offers many resources including a video score report. The video score report that will be available through the online portal communicates information from the ISR through animations and a voiceover in New Jersey's top five languages: English, Spanish, Chinese, Portuguese, and Arabic.

Should you have any questions, you can contact Mrs. Elba Alves Castrovinci, District Testing Coordinator at 973-812-9512 ext. 3404.

Sincerely,

Tracey Marinelli
Superintendent of Schools
