

Birthday Celebrations at School 3

We love celebrating our students!

Birthdays are recognized on our monthly BEE-DAY board & with a special birthday shout out during morning announcements.

Just a friendly reminder, if sending invitations, please include the entire class of all girls/boys (we're unable to pass invitations to other classes). If you'd like to send a birthday "treat," please choose a **non-edible item** such as a pencil or bookmark.

If you have any questions, please reach out to your child's homeroom teacher.
