Dear Parents and Guardians,

I hope this letter finds you well and that you are enjoying a restful and rejuvenating summer break. As we approach the upcoming school year, I am filled with excitement and anticipation for what lies ahead. Our theme for this year is "Together We Fly," a reminder that our collective efforts can propel us to new heights of success and achievement.

A Community of Support

At the heart of our theme is the belief that we are stronger together. Our students, teachers, staff, and families each play a vital role in creating a nurturing and dynamic educational environment. We are committed to fostering a sense of belonging and support, where every student feels valued and empowered to reach their full potential.

Innovation and Excellence in Education

As we embark on this new academic year, we are dedicated to continuing our tradition of excellence in education. Our talented educators have been preparing innovative and engaging curricula that will challenge and inspire our students. We are also excited to introduce new programs and initiatives aimed at enhancing learning opportunities and supporting the diverse needs of our student body. Additionally, K-8 classrooms will be adorned with new furniture to foster our forward-thinking educational practices.

Partnerships for Success

We recognize that the partnership between home and school is crucial to student success. Your involvement and support make a significant difference in your child's education. We encourage you to stay connected with your child's teachers, participate in school events, and engage with our community. Checking our website www.lfschools.org regularly will help provide you the most up to date information. Together, we can create a vibrant and supportive network that helps our students soar. Click the link for the [July 2024 Issue](#) of our District Education News that will be heading to your home soon.

Safety and Well-Being

The safety and well-being of our students remain our top priority. We have implemented comprehensive measures to ensure a safe and healthy learning environment. Our team is dedicated to maintaining high standards of cleanliness, security, and wellness throughout our schools. This summer our boiler, floor, and door projects will all be concluded, providing a cleaner and safer atmosphere.

Looking Ahead

We are eagerly anticipating the first day of school on September 3rd. In the weeks leading up to the start, please keep an eye out for important communications regarding schedules, supplies, and events. We are here to assist you with any questions or concerns you may have as we prepare for the new year.

Portrait of a Hornet

I want to thank all of our staff, students, board members, and families for their contributions to our ***Portrait of a Hornet***. This strategic plan will help transcend academics and curriculum here in Little Falls. The universal qualities set forth in the plan are essential. To learn more about this process click below:

1. [Newsletter](#)

3. [Developing the plan](#)

As I begin my 10th year as your educational leader, I want to thank you for your continued trust and partnership. What we have been able to accomplish has been nothing short of amazing, and yet there is still more to do. Together, we will continue to fly high and achieve great things. While I wish you 6 more weeks of fun in the sun, I am anxiously awaiting us all being together, ready to embark on our next journey of learning, growing, and success.

In closing, please sit back and enjoy our students' video message. This is [PORTRAIT OF A HORNET](#)

Together we fly,
